Dear Patrick,

I am extremely sorry to see you go. I may only be here 9 months but, it has been a pleasure meeting some one who sincerely seems to care about the plight of the people here at Barclay Farms. You had the decency to call me if you said things would be done and a problem arose. I have been waiting for 9 months, for all the serious problems to be taken care of. I was very happy to see Elaine go. She had a bad attitude example the Water company Barclay Farms owed them \$23.00 since January as many time as the company called for payment she ignored them. I guess she figured they would slip it to me. Finally this quarter Pat from the water company called Michigan it will be taken care of by Kathy, now the fee is \$25.00. Elaine did not want to hear my problems " write them up" was her reply.. Which I did but they were never completed. Any time you wished to speak to her she was unattainable. I pray the powers that be send some one that understand that as my self for example I am on a fixed income. I left the state of New Jersey as I could not afford it. I moved here to be able to live out my remaining years in peace being able to eat and pay for my medication. I was informed by Elaine that the house I bought at (\$143,000.00) (which was all I had in the world.) " was built by other Builders and they were not good workers". There have been serious problem with this house. They start to work on it then they leave to work on new house's and weeks go by This also seems to be the cry of a lot of the residents who have been here before I came.I believe there should be a resident committee between the residents and the powers that be. I know that Elaine was not a people person. I pray they send in a person of your stature and commitment to the residents. Speaking for myself, I am only asking for what I have paid and I am still paying for. Again I will miss you. I do not know where you will be going, but stay as nice as you are and remember one day you too will be a senior citizen ! (HA HA) God Bless you and have a happy and Blessed life.

Sincerely yours,

Elizabeth A. Barclay
