

14 July 2001

Dear Patrick:

There are no words to convey my deepest gratitude to you and your manager. I truly am grateful to my son for his help and I sincerely want to thank you for your kindness and understanding of our truly unhappy situation at this time.

I do pray God will shower blessings throughout your life, you deserve love and happiness always for your kind sincere feelings for others.

Thank you again.

Love to a wonderful young man.
Herberty M. D. Ford
