The Fairways
Ron W. London
General Manager

Dear Sir:

At this time, we would like to express our appreciation as well as our complete satisfaction with the way Mr. Patrick Crocetta handled every detail of the purchasing as well as the completion of our new home at 236 Pebble Beach Dr, May Landing NJ 08330.

Patrick was extremely knowledgeable in all phases of construction as well as with selections of various options for our new home.

It was indeed a pleasure doing business with him. Patrick was always courteous and was never too busy to answer our multiple questions over many months.

Our home is beautiful and well constructed and we look forward to living in May Landing at the Fairways for a very long time.

Sincerely,
Gwylene K. Buck
