LETTER OF RECOMMENDATION

Patrick has been a business associate of mine for over 10 years. I have found Patrick to be extremely organized and well spoken. He is very dedicated to his profession and the people he works with. He brings energy and enthusiasm to everything he does.

As an account representative for our supplier, he expanded our sales totals each year to the point where we were their largest account. His constant suggestions and ideas helped grow our company. We trusted his direction. I would highly recommend Patrick.

With regards,
