Subject: It made me think of you!

Hey Patrick,

Thought I would Share this one!

It made me think of you!

"The high road to service is traveled with integrity, compassion and understanding...people don't care how much we know until they know how much we care."

I just want you to know how thankful I am to be apart of your Sales Team.

I will never for get the day of my transfer to Anchor Bay before I really got to know you, you told me to trust you that you would not leave me behind and would make sure I got the training I needed to grow.

You have been a man of your word and have blew my expectations out of the water with the Amazing things that you have done with our Sales team and I will say it again I am just so thankful to be apart of that.

I feel I have grown so much, and the excitement of knowing with this Company and you as our leader their is only more Good things to come.

Sorry if this is a little deep but it's from my heart!

Hope you have a great day!

Tracy Mangas
