Mr. Ron W. London,
General Manager
The Fairways
1801 Cates Road
Mays Landing, New Jersey 08330

Dear Mr. London,

We just wanted to take a few moments from this hectic time of moving and Holiday celebration, to tell you how very satisfied we are with our Home Consultant, Patrick Crocetta. He has always been courteous, helpful and available, in the entire process of home selection, accomodating our specific needs, advice on requested changes, and patience in the final closing.

Patrick has always been prompt to return calls and answer the many questions and concerns we presented. He is a true gentleman, and I am confident he will give us the same quality of attention to the matters that may need correction, to make us happy and contented Ritz-Craft Homeowners.

Best wishes for a prosperous Happy New Year - 2003!
